Dear Mr. Parker:

As you accept your new position as President and CEO of the Construction Division for Tetra Tech Facilities Construction, please accept my sincere appreciation for the tremendous contributions you have made to the Army Medical Department and the Military Amputee Patient Care Program in your role as the Project Executive for Turner Construction. The Military Amputee Training Center at Walter Reed Army Medical Center is a state of the art facility which will be of tremendous benefit to our wounded service members.

As you transition into your new position, know that your leadership and commitment to the development and construction of the Military Amputee Training Center is making a significant difference in the lives of our Soldiers and families, and for that, you have our gratitude.

On behalf of the AMEDD and our service members, I wish you continued success and happiness.

Sincerely,

Kevin C. Kiley, M.D.
Lieutenant General, U.S. Army
The Surgeon General
